**DATE:** Saturday November 5th from 11:30am-3:30pm

**Location:** Hopmere Station @ Antique Powerland

## Presentation: History of Trimet

The OERHS Annual Meeting & Banquet will be inside Hopmere Station, our new Interpretive Center, at the Museum in Antique Powerland (Brooks, OR) . The date is Saturday Nov. 5th from 11:30am until about 3:30pm.

During our BBQ Lunch, we will see a presentation on Sweden trams by Kevin Novak. We will also hold our annual elections for 2016 officers and trustees. We are still seeking nominations for positions, please see other side for more details.

After eating we will have short museum reports, including information about our exciting opportunity to bring home Oregon Electric Locomotive #21! Service awards will be handed out to the top volunteers for our organization and Door Prizes will also be raffled off.

This year's headline event is titled *History of Trimet*. It is being presented by Phil Selinger. Phil is a Retired Trimet Project Planning Director. He recently authored the book *Making History, 45 Years of Trimet and Transit in the Portland Region*. He will be giving a presentation on what happened after the abandonment of streetcars in Portland to what lead up to Trimet, and the early days of Trimet up to the operations of MAX. It should be a great show!

We have reduced the cost of the banquet this year to \$16/person. This includes a great BBQ meal, use of our very own building (rental of tables & chairs, etc...) and a fun afternoon. Non-OERHS members are more than welcome.
